# Newsletter TERM 4

**FEB - APRIL 2026**

Welcome back!

This term is going to be an exciting one... We are looking forward to the Minis show, Continuing work on our new studio! Starting rehearsals for our new Theatre School production! Another Aerial course!

And lots lots more...

**Our 5th Studio (Miranda) coming soon!**

YAY!

# Students of the term for term 3

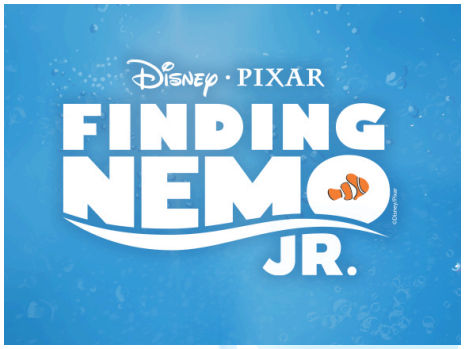
Well done all of you for working so hard and making us extra proud last term 🥰

We love reading all these different reasons for why our students have been nominated.

Aim

THEATRE SCHOOL

We had such a great time performing Finding Nemo Jnr at the end of last term! We have been working so hard on this show so we're so glad everyone loved it!
This was definitely our biggest theatre school production yet...with lots of quick costume changes, elaborate props, puppets and big songs but WE DID IT!



A huge thank you goes to our wonderful theatre school team - Miss Jody and Miss Elise for putting on another wonderful show,
To all of our chaperones backstage who kept everything running smoothly,
To Alice for making our incredible puppets!
And to our parents for supporting us and our productions
Onto the next one...!

Who's getting excited for the MINIS SHOW?!!

We know we are!

This term is officially SHOW TERM so there's not long to wait now...

We have got the cutest costumes, fabulous dances and all sorts of props ready to show you! Plus we even have a super special song for our finale...

We're nearly ready for

'Our Time to Shine!'
